Planning Commission Meeting

The Town of West Point Planning Commission met on Thursday, Sept. 22, 1994 at 8:25 PM at the Town Hall. The meeting was posted in three places.

Pursuant to the Wisconsin State Statute 19.84, the meeting of the Town of West Point Planning Commission was called to order by Dave Cole. The Planning Commission members present were Dave Cole, Roger Ballweg, Doug Richmond, Dick O'Connor and Joyce Sinkule. Absent: Fred Madison.

The minutes of the previous meeting were read and approved with a motion by Richmond, second by O'Connor. Motion carried.

Discussion regarding the Land Use Plan:

Two Planning Commission members received a letter from Dorothy Parker which was read by the other members. (Copy of the letter is an attachment to these minutes.) The letter addressed preservation of the eagle roosting and flyway areas in the Town of West Point. Discussed the possible concerns the Village of Prairie du Sac may have regarding this issue. The roosting/flyway areas are located in the village's Extraterritorial District.

Motion by O'Connor, second by Sinkule, that the Department of Natural Resources (DNR) be contacted regarding the eagle roost and flyway areas located in the Town of West Point. Doug Richmond will contact our local DNR representative. The motion includes a request of the DNR to provide a written position concerning the current status of eagles (endangered, threatened species, or other categories), thus providing a status report regarding the preservation of eagle habitat. Motion carried.

Sinkule was instructed by the Town Board to prepare the Land Use Plan in conjunction with Fred Madison after Oct. 15, 1994. The date was established in the event Madison has the report ready by that date.
