Correspondence: John Stockham of the Discovery Group will be at the September 28th Planning Commission meeting and placed first on the agenda at 8:15 PM. Dick O'Connor is to review the Discovery Group proposal and execute. Proposal to be consistent with Mr. Stockham's letter of May 22, 1995.

Jim Vitake-Rezoning: Chair Madison indicated that it was his understanding the request has been withdrawn.

Yaung Shin-Rezoning: Request to rezone approximately 1 acre from agricultural to residential. Planning Commission recommended petitioner contact Mike Stapleton at Columbia County for clarification of adjacent zoning. This issue to be second on the September 28th agenda.

Mrs. Rosa-Bridge over Wisconsin River at Merrimac: An expanded group of the McCubbins Lane Association requested that the Planning Commission oppose bridge construction completely. All members at the McCubbins Lane Association are unanimously opposed. Motion by Dick O'Connor to recommend to the Town Board that the Town assume a neutral position until such time as all studies are completed. Motion seconded by Cliff Lawton. Motion carried 5-0.

Dick O'Connor reported on discussion in meetings with Sauk Prairie Sewage Commission. It has been estimated that \$ 4700.00 would be the cost of the Town of West Point's share of a study of the sewer interception in Water Street South of the Hwy 60 Bridge. The Village of Prairie du Sac financial adviser has indicated to the Village that typically a municipality would annex an area when providing services. Dialog will continue.

Motion to adjourn at 9:40 P.M. by Doug Richmond, seconded by Dave Cole. Motion carried unanimously.

Respectfully Submitted  
Richard O'Connor
