Residents of Weast Park,

In December of 2023 the Town of West Point hired Grothman & Associates to complete an Assessor's Plat for the Pleasant View Park and Weast Park to "remove the promenade."

In order to complete the Assessor's Plat, the agreement required the surveyor to draw new property boundaries across the promenades and divide the land proportionately between the landholders so that all properties appearing to have lake shore will own lakeshore.

Grothman & Associates have a "draft" of the Assessor's Plat for the Weast Park area finished and would like to present it to the landowners address any questions, comments, and concerns.

The Town of West Point has scheduled a meeting at the West Point Town Hall on **Wednesday, September 4, 2024 at 5:30pm**. Grothman & Associates will introduce the "draft" Assessor's Plat, review the process, answer questions, and set up appointments with landowners who would like to meet on site. If you are unable to attend the meeting, but have a question or an issue, you may have a neighbor attend for you, or you may contact Grothman & Associates at 608-742-7788.

Sincerely,

Taffy Buchanan
Town of West Point
